

To: Insured Policy Holders
States Title Insurance Company of California

From: Emilio Fernandez, President

Date: January 25, 2021

**States Title Insurance Company of California
has merged with North American Title Insurance Company**

Notice is hereby given that States Title Insurance Company of California (States) has completed a merger with North American Title Insurance Company (NATIC). The merger was effective on December 30, 2020 and approved by the California Department of Insurance.

Any policy issued by States to any insured will continue in full force and effect. Should any insured policy holder wish to file a claim, that claim must now be submitted to the successor company of the merger: NATIC.

All claims should be filed at:

North American Title Insurance Company
760 NW 107th Avenue
Suite 401
Miami, FL 33172
Attn: Claims
Or
claims@natic.com

North American Title Insurance Company (NATIC) operates in 39 states and the District of Columbia. Among the nation's largest title underwriters, NATIC generated more than \$299 million in agency premiums in 2020 and maintains a policyholder surplus of more than \$32 million as of Dec. 31, 2020. NATIC has earned a rating of "A Prime Unsurpassed" from Demotech, Inc. NATIC's parent company is San Francisco-based States Title Holding, Inc. Founded by Max Simkoff and backed by leading venture capitalists in Silicon Valley, States Title uses predictive analytics and cutting-edge technology to deliver a modern title and escrow platform.
